 **Project Period**
2024-2025

 **Industry**
Healthcare

 **Building Size**
300,000 sq. ft.

 **Facility Type**
Hospital

 **Number of Pods**
168 Pods

SUMMARY

This project was designed so that the exterior of the pods could be utilized for an architectural feature that housed the patient room display. A unique and thoughtful solution to intergrate the exterior of the pod into the patient room, proving that design assistance doesn't just include the interior of the unit.

The project was executed using house made millwork for the vanity with a color matched shower surround; Built to specification in our own shop.

PARTNERS

+ **Owner**
Mount Nittany Health

+ **Architect**
Stantec

+ **Construction Manager**
Whiting Turner
